15 Minute Complimentary Consultation

According to the American Society of Training and Development, you have a 25% chance of achieving an idea you decide to adopt. When someone is holding you accountable to implement your plan (which a coach does), you will experience a 95% success rate.

- What key factors would you like to tell me about yourself?

- What prompted your interest in working with a coach?

- What goals do you want to work towards?

Joanne is a Certified Master Image Consultant, Board Certified Master Certified Life Coach, Bachelor of Christian Counseling and licensed Cosmetologist; "My goal is to not only make you look great but make you feel great about yourself. Our business is about you!" Looking your best strengthens your self-image, a stronger self-image increases your self-esteem, and a greater self-esteem brings greater success. Joanne is a public speaker and personal life coach on the "Transforming Women's Lives Through Outer & Inner Beauty".
